A Japanese Arts Celebration at The Address where Influence Resides

SINGAPORE

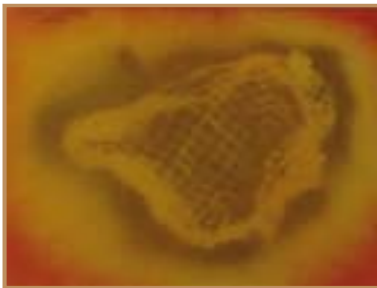

ICONOCLASTIC ART

The 5-day cultural extravaganza will also see the works of arguably Japan's most famous and premiere female artists of the modern era, *Yayoi Kusama*, exhibited during the week.

An avant-garde sculptor, painter and novelist, Yayoi Kusama's work features polka dots and nets as her trademark motifs on watercolour, pastels and oil paintings, as well as soft sculptures. Her iconic works have been exhibited in galleries and museums across the globe since 1957.

Art Exhibition

28th September – 2nd October

Available daily at the St. Regis Lobby

Yayoi Kusama most recently received Japan's 2006 National Lifetime Achievement Award, the Order of the Rising Sun, Gold Rays with Rosette, as well as Japan's Art Association's Praemium Imperiale – Painting of 2006.

A colourful personality in the art world, Yayoi Kusama has, since 1973, voluntarily committed herself to a psychiatric hospital in Tokyo, where she continues to live by choice, while commuting to her Tokyo studio which is a short distance away.

The accompanying art talk to expound on her work will be conducted by gallery curator Saskia Joesse.
