WHAT KBIC Art Exhibition
WHERE Saskia Jouse's Residence
WHO CAME Art enthusiasts

JUST AS A RESTAURANT'S AMBIENCE adds to the dining experience, the setting of an exhibition can enhance art appreciation. When **KYRA BAEZ-MARTELL** and her daughter **SASKIA JOUSE** opened their home in Emerald Hill to friends and art aficionados to showcase the art from their company, KBIC, they earned admiring nods for both the unique artwork and their beautiful home. Rare sketches by Salvador Dali lined the walls alongside artfully placed works by Andy Warhol, Burton Morris and Marc Chagall, encouraging guests to wander through the residence.
